Film Shorts

Presented by Geelong Regional Library Staff

This workshop uses picture books as stimulus for a short film. iPads will be provided in groups for this session and iMovie for editing. We will storyboard the plot points of the chosen text and then participants will create a short film based on this storyboard.

Novel ideas with literature

Shivaun Plozza, Mark Smith, Scot Gardner

What are the ingredients of a great YA/teenage novel? In this session, three of Australia’s best YA writers – Shivaun Plozza, Scot Gardner and Mark Smith – will talk plot, setting, character and keeping it real for a young audience. This is an interactive workshop that will draw on the knowledge and expertise of participants to create the outline for a hypothetical YA novel.
